# World Mission Sunday

The Church of Christ on Mission in the World

Pope Francis has declared for the universal church an Extraordinary Mission Month in October 2019.

The theme is "*Baptized and Sent - The Church of Christ on Mission in the World*". During the month of October we will have opportunities to reflect on the lives of missionary disciples who have gone before us, and to renew our call to announce the Good News of God's mercy and love for everyone.

The Holy Father indicated four ways to help us prepare for and live out EMM 2019:

- 1) Cultivating a personal encounter with Jesus Christ alive in his Church: Eucharist, Word of God, personal and communal prayer;
- 2) Reading about the witness of the saints, the missionary martyrs, and the Confessors of the Faith, who are unique expressions of the churches of the world;
- 3) Praying with and learning from biblical, catechetical, spiritual and theological formation regarding the *missio ad gentes* ("mission to nations"); and,
- 4) Engaging in missionary charity as a material support for the immense work of evangelization and Christian formation in churches that are most in need.

## Pastor's Corner

Dear Brothers and Sisters in Christ,  
Tomorrow we will have our Federal Election. Most likely we will know who will represent us in our ridings and which party will form the next government of Canada by the end of the evening. Today I would like to conclude my reflection on the honour and responsibility of voting on Monday and asking that we all earnestly pray that the Lord will give us Members of Parliament (MP's) who are willing to defend the rights and dignity of all peoples from the human

embryo in the womb of its mother to the very elderly who are taking their final steps before they pass through the gates of death into life eternal.

Let us pray that our MPs who will be elected, will show the best side of humanity – may they receive from our Lord the graces they need to govern well. May our MPs stay far away from the evil desires of power, money and influence – may all their endeavors be 'Christ actions' for the good of society and the individuals who make up that society.

Finally, I encourage each and every one of you to consider being involved in our political arena. If we as Catholics believe that Jesus is the Way, the Truth and the Life, then we should not be afraid to engage ourselves in the many areas of our society where change is needed, so that we can live as Christ wishes us to live. There are many ways to be involved in the political arena – discern where your gifts and talents are and then jump into the wonderful world of 'politics'.

Blessings,

Fr. Liborio

ps #1. Don't forget to VOTE!!!!

ps #2. Don't forget to VOTE!!!
