Young Adults Ministry

St. Mary's Parish is running a young adults ministry for ages 18-39.

We meet bi-weekly holding faith studies and a monthly social/outing. Our meetings take place at the parish and occasionally online. Our mission is to provide a fun, friendly, safe place to learn, grow, and serve the Lord with God being in the center of everything we do.

Let's strive for holiness with prayer, praise & worship, faith-studies, socials, movies, and outings in fellowship with one another, embodying the Church.

If you're interested in joining or would like more information, please contact Linda at lindavieira8@hotmail.com

Let's put People and Planet First with Development and Peace -Caritas Canada's new campaign!

In Canada, most people can speak out freely when injustice is committed. In many countries of the Global South, however, communities are threatened when they seek to protect their rights, especially their right to a healthy environment. This climate of insecurity is often fuelled by the presence and influence of corporations, some of which are Canadian. Undaunted, many vulnerable communities fight courageously to defend their rights, their lands and the environment against corporate harm. This year, Development and Peace's People and Planet First campaign invites you to stand in solidarity with them and celebrate their work!

Vatican : New Apostolic Library

Pope: New Apostolic Library exhibit space bears witness to beauty

The Apostolic Library is opening up to the public for the first time with a dedicated space for temporary exhibitions of contemporary art.

Beauty touches the soul

In a speech to participants in the event, the Pope reflected on the theme of beauty and how the Church must bear witness to the importance of beauty and culture.

Humanity on its way

The exhibit goes under the title “Everyone: Humanity on its way”, recalls the Pope’s encyclical Fratelli tutti, and turns part of the space into “a lush tropical forest.”

Journey through human history and dreams

The exhibit, explains Don Giacomo Cardinali who oversees the new space, explores “non-geographical cartography”.

Space for culture of encounter

According to Cardinal José Tolentino de Mendonça, Archivist of the Apostolic Library, the new exhibition space is meant to promote a culture of encounter.

Religious Education and Faith Formation

Why is it so Hard to Forgive Yourself?

As Catholics, we believe in the forgiveness of our sins through the graces of the Sacrament of Reconciliation. But often, even though we are absolved but we can struggle to forgive ourselves for our past faults and failings.

Fr. Mike shares the main reason why we struggle to let go of the past and surrender to God who is our loving Father.

Prayer in Time of COVID

Gracious God, you who are the author of all life, and who desire the well-being of all people, during these dark days of COVID-19, increase in us, respect and reverence for all human life.

Grant restored health to the sick, comfort and hope to the dying, eternal peace for those who have died, strength to family members, relatives, clergy, friends and volunteers, renewed energy to hospital workers, PSWs, nurses and doctors, and perseverance to all in the health care professions.

Grant wisdom to scientists for the development of effective and moral vaccines, discernment and right judgment for legislators, aid to the discouraged, poor and vulnerable, courage and justice for front-line workers and all who risk their lives for the benefit of others, and keep always in our minds the vision of the true common good of all the world. We ask this through Jesus Christ our Lord. Amen.

Saint Margaret of Scotland

A foreign-born royal becomes queen and inspires by her refinement and devotion

Saint Margaret was known to her contemporaries as an educated, refined, and pious woman. She married a Scottish King named Malcolm who was far more rustic than herself. He could not even read. The earliest Life of Margaret, written by a monk who personally knew her, states that Malcolm depended on his wife's sage advice and admired her prayerfulness. According to Margaret's biographer, Malcolm saw "that Christ truly dwelt in her heart...What she rejected, he rejected...what she loved, he, for love of her, loved too." Malcolm embellished Margaret's devotional books with gold and silver. One of these books, a selection of Gospel passages with illuminated miniatures of the four Evangelists, still exists and is preserved in an English museum

Educating children: a call, a challenge, a joy

Amoris laetitia: Educating children to make courageous choices

259. Parents always influence the moral development of their children, for better or for worse. It follows that they should take up this essential role and carry it out consciously, enthusiastically, reasonably and appropriately.

Where are our children?

260. Families cannot help but be places of support, guidance and direction, however much they may have to rethink their methods and discover new resources. Parents need to consider what they want their children to be exposed to, and this necessarily means being concerned about who is providing their entertainment, who is entering their rooms through television and electronic devices, and with whom they are spending their free time.
