## CATECHESIS OF THE GOOD SHEPHERD CERTIFICATE PROGRAM

### Level I, Part A Formation Course (children ages 3-6)

*“Help me to come closer to God, by myself.”*

This first half of this introductory course for adults will explore the foundations of an internationally recognized approach to the religious education of children known as the Catechesis of the Good Shepherd.

*The Catechesis of the Good Shepherd* highlights essential aspects of the Christian message that nurture a child's need to love and be loved and a child's capacity to enjoy God's presence in his or her life.

The Level 1 formation course offers an orientation to the theological concepts fundamental to this ministry with children. It introduces the foundational biblical and liturgical themes that we present to children, through a combination of conversation, reflection and presentation -- these delivered as we would share them with children. The course also offers opportunities to work with Montessori-style, catechetical materials that have been designed to nurture children's prayer.

This 90-hour course is especially designed for those who are interested in or already involved in caring for the spiritual lives of children, in a home, parish or school setting. It is a prerequisite for further adult formation courses in the Catechesis of the Good Shepherd Certificate Program (Levels II and III).

Completion of both Level 1, Part A (45 hours) and Level 1, Part B (45 hours) is required for certification.

### Compendium of the Catechism of the Catholic Church

Have you asked yourself.....?

#### Nº 8. What are the next stages of God's Revelation?

God chose Abram, calling him out of his country, making him “the father of a multitude of nations” (Genesis 17:5), and promising to bless in him “all the nations of the earth” (Genesis 12:3). The people descended from Abraham would be the trustee of the divine promise made to the patriarchs. God formed Israel as His chosen people, freeing them from slavery in Egypt, establishing with them the covenant of Mount Sinai, and through Moses, giving them His law. The prophets proclaimed a radical redemption of the people and a salvation which would include all nations in a new and everlasting covenant. From the people of Israel and from the house of King David, would be born the Messiah, Jesus.

#### Comment by monsignor Jose Ignacio Munilla:

As you can see, there is a clear statement: it is that God, to carry out His revelation to the world, has chosen a specific path. God is omnipotent, He could have done it in many ways, but He decided to choose Abraham, the father of faith, and through him, form a great society. This statement deserves a comment, because perhaps in our culture, in the times in which we live, there is great resistance to such a statement. Our contemporary culture, which is very egalitarian, reveals itself before this affirmation, well, all religions are paths of revelation, in a way, each one of them reveals God.

**Mary, Mother of the Church, Pray for Us**

### Compendio del Catecismo de la Iglesia Católica

¿Te has preguntado.....?

#### Nº 8 ¿Cuáles son las sucesivas etapas de la Revelación de Dios?

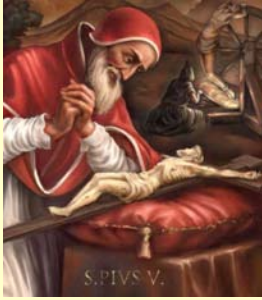

Dios escogió a Abram llamándolo a abandonar su tierra para hacer de él “el padre de una multitud de naciones” (Gn 17, 5), y prometiéndole bendecir en él a “todas las naciones de la tierra” (Gn 12,3). Los descendientes de Abraham serán los depositarios de las promesas divinas hechas a los patriarcas. Dios forma a Israel como su pueblo elegido, salvándolo de la esclavitud de Egipto, establece con él la Alianza del Sinaí, y le da Su Ley por medio de Moisés. Los Profetas anuncian una radical redención del pueblo y una salvación que abrazará a todas las naciones en una Alianza nueva y eterna. Del pueblo de Israel, de la estirpe del rey David, nacerá el Mesías: Jesús.

#### Comentario de Monseñor José Ignacio Munilla:

Como veis, hay una afirmación clara, y es que Dios, para llevar adelante Su revelación al mundo, ha optado por un camino concreto. Dios es omnipotente, podía haberlo hecho de muchas maneras, pero ha optado por elegir a Abraham, el padre de la fe y a través de él, formar un gran pueblo. Ya solamente esta afirmación de partida, merece un comentario, porque quizás en nuestra cultura, en los momentos en los que vivimos, existe una gran resistencia a tal afirmación. Nuestra cultura contemporánea, que es muy igualitarista, se revela ante esta afirmación, bueno, todas las religiones son caminos de revelación, cada una de ellas, revela en parte a Dios.

## ***Saint Pius V, Pope 1504 – 1572***

### ***One Shepherd, one flock, One Lord, one Church***

Saint Pius V is considered an icon of orthodoxy (correct teaching) and orthopraxy (correct practice).

It is an unfortunate truism of modernity that religious faith, submission to religious truth, or trust in a prior intellectual inheritance (as opposed to personal discovery of “truth”) are limiting forces which stunt personal growth, shield the believer from reality, or block more daring inquiry. A more honest perspective disproves these snide conclusions. Doubt, refusal, or negation are not necessarily open-minded pathways to discovery. It is acceptance, affirmation, and faith that open the mind to the widest horizons. It is “Yes,” not “No,” that leads to more complex and demanding relationships, including with God Himself.

*Saint Pius V, your dedication to the truth showed itself in your pristine holiness, unity of life, and defense of doctrine. From your home in heaven, assist all theologians and leaders of the Church to be as concerned as you were for the unity of God’s family on earth.*

## **Uncovering God’s Character: Why God Asked Abraham to Sacrifice Isaac**

Isaac was the son Abraham had been waiting for his entire life—Abraham and Sarah’s only son.

So it’s pretty unexpected and bewildering when God commands Abraham in Genesis:

“Take your son, our only son, Isaac, whom you love, and go to the land of Moriah, and offer him there as a burnt offering upon one of the mountains of which I shall tell you”

## God's Love for People of All Faiths

God's love for all people holds true across time, culture, tradition, race, and creed: no one is outside of God's love. God's love is not only our main trait, it is also what connects us to everyone around us. We are all created by the same loving God, and we are all oriented toward God as our ultimate destination. God is present to all of us, and we run into his goodness and saving grace every day, whether or not we are even aware that it is God.
