## Municipal Elections 2022 – Cast Your Vote!

A municipal election will be held on **Monday, October 24, 2022**. All Catholics are strongly encouraged to exercise their democratic right to vote. To help learn more about the candidates for Catholic School Board Trustee, Cardinal Collins has given permission for these candidates to distribute literature to parishioners departing Mass on weekends from October 1/2 through October 22/23. We hope you'll take the time to get to know those seeking elected office for this important role.

To ensure your vote for Catholic School Board Trustee, at the polling booth, verify that you are registered as a separate school supporter. If your support status is incorrect ask for an Application to Amend Voters' List. This form may be completed and submitted at the polling station.

*Thank you for your interest and involvement in this fall's municipal election!*

## Humanitarian Relief - Pakistan

Devastating floods in Pakistan have displaced hundreds of thousands, at one point leaving a third of the country inundated with water. More than 1,500 people have died following record rainfall with 33 million throughout the country affected by this disaster. Since June, Pakistan has experienced three times more rainfall than an average monsoon season. Flooding and landslides have destroyed homes, crops, health centres, roads and bridges. There is an elevated risk of the spread of malaria, dengue fever and other diseases. Priorities include clean water, shelter and health care for those directly affected by this tragic situation.

The Archdiocese of Toronto will channel donations through Catholic partners (including Caritas Canada – Development and Peace as well as the Archdiocese of Karachi) to support relief efforts underway.

**Those wishing to help may do so in the following ways:**

- ♦ Online through the Archdiocese of Toronto website – [www.archtoronto.org](http://www.archtoronto.org)
- ♦ By phone through the Development Office – 416-934-3411
- ♦ Through the parish, making cheques payable to: St. Mary's Parish – Pakistan Floods – Humanitarian Relief

## Are you Able to Host a Ukrainian Family?

When hearing reports of the war in Ukraine, and the millions of Ukrainians that have been forced to flee their homeland, many have asked what they can do to help. Over 80,000 Ukrainians have already arrived to Canada through a special visa program created by Immigration Canada. An additional 500,000 have applied to the program and are expected to arrive in the coming months. Many are arriving to Toronto and are without family here in Canada to help them. Among those will be some who are vulnerable to human trafficking, particularly seniors, single women, and women with children. There is an immediate need for families to host for a period of between one and six months some of those who have arrived. If you would like to learn more about hosting a Ukrainian family, please go to [\*\*Archdiocese of Toronto - Ukrainian Crisis \(archtoronto.org\)\*\*](http://Archdiocese of Toronto - Ukrainian Crisis (archtoronto.org)) and register for a virtual information session.

REACH  
A CHILD,  
RAISE  
A LEADER,  
RESTORE  
COMMUNITY.

Hello fellow parishioners!

My name is Oliver Montgomery, and I've been attending St. Mary's since I was very young. I've recently made the decision to work in ministry full-time. After sharing this with Fr. Liborio, he encouraged me to share with you about the journey I'm taking with UrbanPromise Toronto, an organization that is carrying out significant and impactful work in Toronto Community Housing communities. Toronto Community Housing is the second largest social housing provider in North

America. Home to approx 105K residents, 80% of the households are led by single parents. UrbanPromise Toronto is a registered Christian non-profit charitable organization with a vision to reach children with the love of Jesus and raise them into leaders that will restore their communities.

Over the past couple of years, I've been privileged to work at Medeba Adventure Learning Centre and I've seen first-hand the heart-warming impact a safe space can have on a child's life. I was drawn to UrbanPromise Toronto after hearing about the incredible impact they have on the lives of the youth through their AfterSchool programs and seasonal camps. I would encourage you to take a moment to watch Curtis' Story ([Part 1](#), [Part 2](#), [Part 3](#)) to get a glimpse into the impact the ministry has had on his life.

Serving with UrbanPromise Toronto, I am responsible for raising my personal support of \$3000 monthly. I'm writing to all of you today to appeal to my parish community hoping that you support my desire to reach others with the love of Jesus.

My hope is to have a number of you partner with me in fulfilling UrbanPromise Toronto's vision. To reach my goal of \$3000 a month I'm looking for supporters who are willing to offer one-time contributions of \$20, \$50, or \$100. Your generous gift will give me the freedom to spend less time on fundraising and more time focusing on leading, mentoring and discipling children and youth. **Would you be willing to support UrbanPromise Toronto by donating a minimum of \$20?**

**If you are interested in supporting, you can use [this link to easily donate online](#).**

If you are Interested in learning more about this ministry, please reach out to me at [oliver@urbanpromise.com](mailto:oliver@urbanpromise.com). I would be happy to make your acquaintance and guide you through partnering with UrbanPromise Toronto. Thank you very kindly for your time and consideration today.

- Oliver Montgomery

## St. Margaret Mary Alacoque, Virgin

*Patron Saint of patients with polio, devotees of the Sacred Heart, loss of parents*

**A cloistered 17<sup>th</sup> century nun's Sacred Heart visions impact the church like a meteor**

Today's saint, in the eyes of the world, was nothing special. She grew up in a medium-sized town, never traveled, received a standard education, was not wealthy, had normal intelligence, and died at the age of forty-three. But she had visions. Powerful, thought-provoking, descriptive visions. If she were not a nun, people would probably have whispered that Margaret was eccentric and politely ignored her. But Margaret's austere life as a cloistered nun buttressed her credibility. And when a holy Jesuit priest, Saint Claude de la Colombière, disseminated the content of her visions, it sparked broader interest which eventually spread like wildfire around the globe. The innumerable cells in the body of Christ carried Margaret Mary's visions one to the other, until devotion to the Sacred Heart became so common as to be prototypically Catholic. But it was not always so. It was today's saint who made devotion to the Sacred Heart commonplace.

And how do you choose good friends and avoid bad ones? That's what we'll discover in today's episode!
