## St. Leo the Great

*Patron Saint of Popes and confessors*

**A Pope vigorously exercises his universal ministry and defines Christ's divinity**

Leo the Great's origins are obscure, so nothing is known with certainty of his early life. He was, though, ordained into Holy Orders and rose to prominence as a papal advisor in the 420s. By word and action, Leo repeatedly taught that the pope's power was unequalled and without borders, that the pope was the head of all the world's bishops, and that every bishop could have direct recourse to the pope, and not just to the local archbishop, in disputed matters. Pope Leo thus accelerated an existing tendency consolidating church governance and authority under a Roman umbrella. Regional or even local decision-making by individual dioceses or groups of dioceses did occur. But in important theological, moral, or legal matters that affected the entire church, every bishop rotated in a steady orbit within the powerful gravitational field of Rome. Pope Leo also enacted a more aggressive papal role directly overseeing and enforcing discipline over bishops, intervening in and settling disputes. The Catholic Church is not an international federation of dioceses, after all. It needs a strong center of gravity to ensure that centrifugal forces do not unwind the universal church into a galaxy of independent national churches, united in name only.

### Why a God? | Episode 3

Today we seem to think we've moved beyond the idea of God, but this secular view of life is a very new and unusual idea to humanity. All through human history man has looked to something outside himself for the answers to life. Why have we given up on God? Do we think science has disproven Him?

## God's power is made perfect in your weakness | Chris Stefanick Show

### Vulnerability.

Sounds like weakness, doesn't it? Because you're opening up the wounded parts of yourself to people. But God can create such incredible good out of your brokenness. He even says in the Bible, "My power is made PERFECT in your weakness."

So this week we're talking to John Edwards again, because he knows all about vulnerability. His life's been full of it – converting back to Christ while in prison, learning to be more open with his wife and kids, and starting a men's ministry from scratch. If you want to find the true JOY we're all looking for, it takes vulnerability. But don't fear! John and I are here to explain what authentic (and life-giving) vulnerability looks like.
