Parish Life

Dear sisters and brothers in the Lord,

Next month I will introduce a series of Sermons that will focus on "The Eucharist/Mass". I am pleading for your prayers, that I may respond the will of the Holy Spirit in my preparations, so that I might be able to transmit the gift that the Eucharist is for all of us and the Cosmic Universe.

The Eucharist is the most important topic that I can share with you and with our parish community – there is nothing greater that can change the heart of a person and the course of history, than the Eucharist. It is the POWER of God.

One of the most important statements of truth that was presented to us at the Second Vatican Council, was that the Eucharist is the "Source and Summit of the Christian Life" (Lumen Gentium No.11).

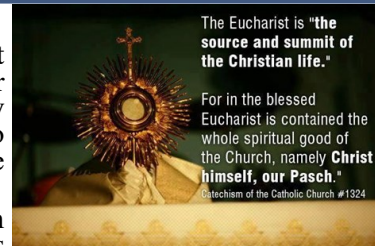

The Catechism of the Catholic Church reaffirms Vatican II and develops it further by stating that "The Eucharist is 'the source and summit' of the Christian life.' The other sacraments, and indeed all ecclesiastical ministries and works of the apostolate, are bound up with the Eucharist and are oriented toward it. For in the blessed Eucharist is contained the whole spiritual good of the Church, namely Christ himself, our Pasch." (1324).

If you have family members who don't go to mass on a regular basis, you might want to let them know about this series of Sermons I will be introducing in Mid-January. Invite them to join us at the Eucharistic Sacrifice of our Lord so that they may come to know the beauty and importance of the Eucharist. If you are parents or grandparents of children who have stopped going to mass, you might want to tell them that your gift for Christmas from them, would be that they come to mass and participate in these series of Sermons I will be presenting. Just a thought for you to consider.

Blessings,

Fr. Liborio

P.S. Enjoy your last week of Advent and continue to pray for the Coming of Jesus Christ.

The Eucharist is "the source and summit of the Christian life."

For in the blessed Eucharist is contained the whole spiritual good of the Church, namely Christ himself, our Pasch."

A silent Ignatian weekend retreat for men. Generally, there are three broad recognizable stages as we grow closer to God: the Purgative stage, the Illuminative stage, and the Unitive stage. We will explore this journey with the help of the life of the saint who were persons like you and me who had to get in touch with their own human frailty along their own unique life-journey. The hope is that the retreatant comes to a higher understanding of self in relation to our infinite loving and merciful God in the context of their own earthly life-journey.

Facilitated by Fr. Henk van Meijel, SJ.

A suggested offering of \$245 per person.

Includes 2 nights accommodation, meals, program and spiritual direction.

Religious Education and Faith Formation

St. Peter Canisius, Priest and Doctor

Patron Saint of Germany

*A zealous Jesuit is the tip of the
Counter-Reformation spear in
Central Europe*

The deep impact of St. Peter so shook Germany that the reverberations of his work were still being felt centuries after his death. Saint Peter Canisius composed question and answer German-language catechisms for every educational level. These catechisms were clear, scriptural, and of the purest doctrine. Hundreds of editions were printed during his own lifetime and for centuries afterwards. Pope Benedict XVI, a German, said that in his father's generation in the last half of the nineteenth century, a catechism in Germany was still known simply as "the Canisius." This was three hundred years after Peter Canisius had died! If Saint Boniface was the Apostle of Germany in the eighth century, then Saint Peter Canisius was the Catechist of Germany in the sixteenth.

*Saint Peter, God raised you up at the right time to save the
faith in Central Europe. Your even temper, broad
knowledge, life of prayer, and personal virtue brought lost
sheep back into the fold. From heaven, help all priests,
deacons, and teachers to do the same.*

The Gift by Dr. Tim Gray

It's easy to lose sight of the real story of the Magi amidst the figurines, the television renditions, and the carols about the three "oriental kings." This study looks at the biblical account and gives a proper context for a truly meaningful celebration of joy through sacrificial giving. Presented by Dr. Tim Gray.
