## Parish Life

Dear sisters and brothers in the Lord,

### ***Merry Christmas!***

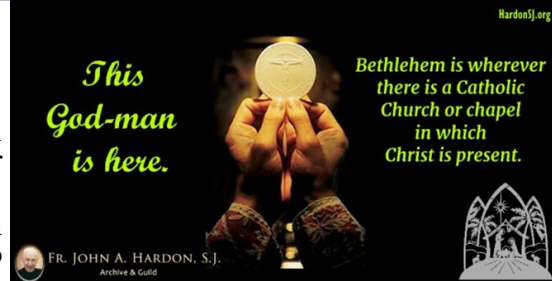

May the Christ Child give to you all of the gifts you require to enter Heaven one day!

The last couple of weeks I have been sharing with you my intention to introduce a series of Sermons which will focus on the Eucharist. During this series of Sermons, I hope to speak to the importance of "WHAT" and "WHY" we celebrate the Sunday Eucharist.

Please keep praying for me as I prepare for these Sermons that I can hear the Holy Spirit and what He asks of me to preach to you all.

We have many Catholics who have stopped attending Sunday Mass on a regular bases, because they have forgotten (or sadly, never learned) the gift that the Eucharist is to us and the World. If you have family members who have stopped going to mass on a regular basis, you might want to let them know about this series of Sermons I will be introducing in mid-January. Invite them to join us at the Eucharistic Sacrifice of our Lord for those weeks, so that they may come to know the beauty and importance of the Eucharist. If you are parents or grandparents of children who have stopped going to mass, you might want to tell them that your gift for Christmas from them, would be that they come to mass and participate in these series of Sermons I will be presenting. Just a thought for you to consider.

Blessings,  
Fr. Liborio

## **Support Your Parish With A Gift Of Securities**

As Christmas approaches, it is a good time to call to mind some of the blessings we've experienced thus far. Thank you for your support throughout the year!

While you are planning your seasonal giving benefiting the parish and the community, consider making a gift of securities. It is one of the most financially sound ways to make a difference. When you donate stocks, bonds or mutual funds, you pay no capital gains tax and receive a tax receipt for the full value of your securities. It means a great tax break for you and greater support to the parish.

To learn more about gifting securities and how you can make an impact for the 2022 tax year, contact the **Development Office at 416-934-3400 ext. 561/519**. To donate listed securities, you can obtain the information sheet and Letter of Direction by visiting this link:

A silent Ignatian weekend retreat for men. Generally, there are three broad recognizable stages as we grow closer to God: the Purgative stage, the Illuminative stage, and the Unitive stage. We will explore this journey with the help of the life of the saint who were persons like you and me who had to get in touch with their own human frailty along their own unique life-journey. The hope is that the retreatant comes to a higher understanding of self in relation to our infinite loving and merciful God in the context of their own earthly life-journey.

Facilitated by Fr. Henk van Meijel, SJ.

**A suggested offering of \$245 per person.**

Includes 2 nights accommodation, meals, program and spiritual direction.

# Religious Education and Faith Formation

## The Solemnity of the Nativity of the Lord

*The Creator robes Himself in flesh,  
and mission impossible  
Begins*

Since the dawn of time the pages of pagan mythology filled men's imaginations to the brim with wondrous stories. Educated men who could read and write Latin and Greek, broad-minded men trained in philosophy, believed that the forests were thick with fairies, that the god of war launched thunderbolts across the sky, that a wise man carried the moon and the stars in a box, and that ravens prophesied. Some ancients wore a leather pouch around their necks stuffed with crystals to ward off evil spirits. Others bowed to the morning sun to thank that great ball of fire for rising. And then...it all ended. A tired world retreated as man's true story swept like fire over the earth. In 380 A.D. an imperial decree established the faith preached by the Apostle Peter to the Romans as the religion of the empire. Grass grew high in the Roman Forum. Weeds pushed through the cracked marble slabs of the ancient temples. Cows grazed where senators in white togas once offered incense to the god of this or the god of that. The priests walked away. Pagan altars crumbled. The vestal virgins found husbands. No one cared. Gorgeous marble was removed from abandoned temples and reused to clad Christian Basilicas in glory. Candles now burned before a new God-man hanging on a cross. Slowly, imperceptibly, God the Father's hands were molding and forming and shaping a new Christian culture—our culture.

Why do we go to Mass every Sunday? Is it because of what we “get out of it”? Is it the way it makes us feel? Is it out of love for God? Or something even deeper and more profound?

Today, Fr. Mike explains the Church's teaching on Sunday Mass obligation, and why this is the way that God has asked us to worship him.
