## All Saints - Solemnity (Nov 01, 2023)

Today, we celebrate the Solemnity of All Saints, a celebration honoring all men and women who have entered Heaven. While this includes every soul in Heaven, the focus is particularly on those who led extraordinarily holy lives on earth and that the Church has canonized as saints. These individuals honored God in a variety of ways: through deep prayer and mystical union, through enduring martyrdom or other forms of religious persecution, and through acts of service, such as caring for the needy or teaching the faith. Some saints were powerful preachers or miracle workers. Others were leaders, some lived in obscurity, and still others experienced exile or made significant personal sacrifices for their faith. In various ways, these saints glorified God during their lifetimes.

By honoring this host of saintly witnesses, we honor and glorify God through their lives. By honoring them, we honor Him Who made them holy. This liturgical solemnity is but a foretaste of the eternal Solemnity of Heaven. Heaven will be the eternal glory of God through the lives of all His saints. In Heaven, the virtues, sacrifices, prayers, and selfless service of all the saints will radiate as beacons that eternally manifest the great mercy and goodness of God.

## What is Purgatory?

Today Fr. Mike delves into the reality that in this life, we are given every opportunity to prepare our souls for God's presence. Embracing the sufferings of this moment purifies us the way the refining fire of purgatory would. In this way, we can prepare ourselves in this temporary world to live alongside our Lord in the everlasting world.

## The Elements of the Catholic Mass

Elements of the Catholic Mass is designed to help the faithful better appreciate the beauty of the Mass. Featuring Fr. Douglas Martis, former director of the Liturgical Institute, the program consists of thirty-one beautifully produced short videos.

## Active Preparation

The Church weaves the notion of active participation, together with full and conscious into her understanding. We should be engaged fully, conscious of what we are doing, aware of the liturgy's beauty and richness. This participation is first and foremost interior. Like Christ, we offer ourselves from our hearts, completely to the Father. Only then can our participation be full.
