ShareLife - Your love can help others thrive

Mental health challenges can impact anyone, whether you're personally navigating them or supporting someone who is. These struggles transcend age and circumstance. Brenda was weighed down by shame, having battled anxiety and depression for decades. Through your support, she found a new perspective at a Catholic Family Services agency funded by ShareLife, where counselling lifted her up and allowed her to see her own worth. Your compassion is instrumental in helping others see themselves as God sees them: loving, important, and enough. Thank you for living the Gospel by helping relieve the pain of those facing silent battles.

Please give at the parish using a ShareLife envelope, online through our parish website, or at sharelife.org/donate
