

# Living the Gospel

"We believe that every human being is unique and priceless. We hold that human life must be respected at every stage of its development from the first mysterious moment of conception to the declining days of advanced age."

– Archbishop Philip Francis Pocock,  
A Declaration on Behalf of Life, March 19, 1976

### ShareLife Sunday Collection This weekend March 21/22

Fifty years ago, a moment of conscience changed everything. In 1976, Archbishop Philip Pocock chose a path rooted in faith, compassion, and a deep respect for every human life, and soon after, ShareLife was born. As we mark our 50th anniversary, we honour what our community has built together and what you have made possible through your care for others. Today we support more than 40 ShareLife-funded agencies. Through your kindness, families find stability, newcomers find safety, seniors are not forgotten, young people find hope, and those facing hunger find food on the table. Looking ahead, the needs before us are urgent and we are called to continue this mission. Together, with your faith in action, we can live the Gospel every day. You may donate securely online at [sharelife.org/donate](http://sharelife.org/donate). Thank you for your support.
