## Learning From The Saint

St. John Paul II (the Great), Pope

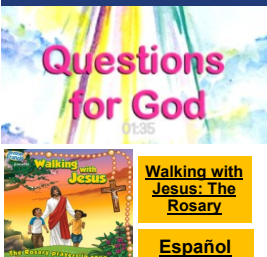

### Fully prepared, possessing every skill, a pope for the ages makes maximum impact

Thirty-three years after the dark cloud of communism had settled over Eastern Europe, on a crisp autumn night, heavy bells across Poland began to sway and toll in their high towers. Their clangs peeled down the valleys, thundered through the town squares, and reverberated off every city street. Men and women spilled like water into the streets. Songs. Candles. Prayers. Flowers. Tears. Flags. Embraces. Champagne. Could it be true? A son of Poland had been elected Pope! Pope Saint John Paul II was a titan. He was as prepared as any man before him to be pope. He was all things—a highly educated European intellectual, a philosophy professor with two Doctorates, a mystic of intense spirituality, a working bishop of a large and dynamic Archdiocese

behind the iron curtain, a Cardinal whose counsel was valued by the Pope, an active contributor at the Second Vatican Council, a polyglot, and a world traveler. Adding to this embarrassment of riches, he was an athlete and outdoorsman, had palpable charisma, an open personality, a manly presence, vast circles of lay friends, a resonant voice, and he was just 58 years old when elected. Never had a conclave of Cardinals made a bolder, wiser choice.

### St. Teresa of Avila - Episode 1

A powerful epic mini-series shot on location in Spain that tells the story of one of the most amazing women in history, St. Teresa of Avila. With meticulous attention to detail and historical accuracy, outstanding production values, and an incredible performance by actress Concha Velasco as Teresa, this acclaimed major film production is the definitive film on the life of this great saint.

Teresa of Avila was called by God to reform and renew the Carmelite order, a daunting task. She was joined in this work by her great fellow Carmelite and spiritual director, St. John of the Cross. This film reveals the conversion that Teresa herself had to go thru to deepen her own union with Christ...

## Bible Verses

*"The Lord's unfailing love and mercy still continue, Fresh as the morning, as sure as the sunrise*

- Lamentations 3:22

*"But in your mercy you did not put an end to them or abandon them, for you are a gracious and merciful God." - Nehemiah 9:31*

*"Let us then approach God's throne of grace with confidence, so that we may receive MERCY and find GRACE to help us in our time of need." - Hebrews 4:16*

## Vatican News:

### Pope at Audience: Power of grace must lead to works of mercy

#### Reconciliation with God

Sinners, he explained, are granted pardon and salvation by God through the death of Jesus, and are "welcomed by God and reconciled with Him."...

#### Saved by grace

This involves faith in Christ, which for St Paul, "has an all-encompassing value" that affects every aspect of the life of the Christian...

#### Collaborating with works of mercy

He noted that St Paul's teaching is complemented by the teaching of St James, who wrote that "faith without works is dead." For both Apostles, "the response of faith demands that we be active in our love of God and in our love of neighbour."

### Living with the poor like Jesus: The example of Fr Júlio Lancellotti

Alongside the poor, as Christ teaches. This is what Father Júlio Lancellotti recalls from his phone call with Pope Francis last year. It's a mission reflected in the routine of the priest who each day welcomes – in his heart and at the "Centro São Martinho" in Sao Paulo, Brazil – hundreds of people who live on the streets of the largest city in the Latin American country.

*"We live beside those people who sleep on the streets of São Paulo. Today there are more than 30,000 homeless people: the number of women and children is increasing. It is a situation, as Pope Francis calls it, of a 'throw-away' mindset toward the population and especially for the poor, whose last place is the street and who end up surviving in the streets of the city."*

### Prayer in Time of COVID

Gracious God, you who are the author of all life, and who desire the well-being of all people, during these dark days of COVID-19, increase in us, respect and reverence for all human life.

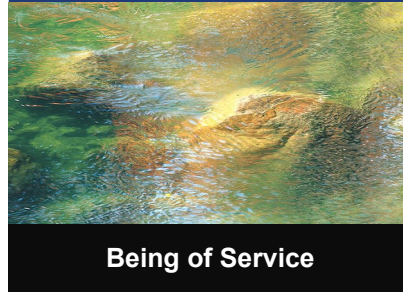

Grant restored health to the sick, comfort and hope to the dying, eternal peace for those who have died, strength to family members, relatives, clergy, friends and volunteers, renewed energy to hospital workers, PSWs, nurses and doctors, and perseverance to all in the health care professions.

Grant wisdom to scientists for the development of effective and moral vaccines, discernment and right judgment for legislators, aid to the discouraged, poor and vulnerable, courage and justice for front-line workers and all who risk their lives for the benefit of others, and keep always in our minds the vision of the true common good of all the world.

We ask this through Jesus Christ our Lord. Amen.

- Bishop Robert Kasun, CSB

### Build a Culture of Life: Use St. Teresa's Example

"The king will say to those on his right, 'Come, you who are blessed by my Father. Inherit the kingdom prepared for you from the foundation of the world. For I was hungry and you gave me food, I was thirsty and you gave me drink, a stranger and you welcomed me, naked and you clothed me, ill and you cared for me, in prison and you visited me.'"

**"Whatever you did for one of these least brothers of mine, you did for me."**

Friends, a recent poll from the Survey Center on American Life revealed that people are rapidly losing their close friends, especially men. The number of American men who view themselves as having "no close friends" quintupled over the last 30 years.

Why is this happening, and how can we reverse it? How can we develop closer friendships? Brandon Vogt and I discuss those questions today.

## Forgive offences willingly

Love of enemies is Jesus' most demanding requirement and often considered the hallmark of Christian life and conduct. During the Year of Mercy, Pope Francis reminds us of the importance of the sacrament of penance and reconciliation: "So many people, including young people, are returning to the Sacrament of Reconciliation; through this experience they are rediscovering a path back to the Lord, living a moment of intense prayer and finding meaning in their lives. Let us place the Sacrament of Reconciliation at the centre once more in such a way that it will enable people to touch the grandeur of God's mercy with their own hands. For every penitent, it will be a source of true interior peace." - Misericordiae Vultus, 17
